May 2021 Edition

CONGRATULATIONS!

We made it! The semester is over, graduation is upon us, and summer is HERE! Whether you are taking summer classes or not, I hope you take some time to rest and relax during the break.

Things are definitely winding down, but this week and next are packed full of opportunities. Keep an eye on the [SVRC Events Calendar](#), and check your emails from Student Veterans and/or me for more information.

Finally, I would like to extend a heartfelt CONGRATULATIONS to the class of 2021! Best wishes to each of you who are moving onward and upward. Welcome to the alumni ranks! I hope you stay in touch and keep us posted on your accomplishments and adventures.

I look forward to seeing you in the SVRC over the summer and in the fall!

Best wishes,
Jennifer

If you do not plan to enroll in summer (or use benefits) simply answer "NO" to the first question (the same applies if you are graduating).
