Eligibility for the Post 9/11 GI Bill is based on length of service as well as honorable service. The benefit program includes: tuition and fees paid directly to the school as well as a book stipend and housing allowance which are paid directly to the student. Students who remain on active duty (including terminal leave) while utilizing Post 9/11 benefits do not receive the housing allowance from the VA.

All benefit payments are based on enrollment hours (credit hours per semester), enrollment type (on campus versus online), and eligibility percentage. Tuition and fees are paid to Appalachian at the **IN STATE** rate (see below for more information). The amount certified to the VA for tuition and fees must account for ANY tuition-specific aid received by a student (tuition scholarships or waivers, federal or state tuition assistance, etc.).

The Book Stipend is calculated as follows:
 $\$1000 \times \text{Eligibility \%} = \text{Maximum Eligibility per year.}$
 The VA will pay based on credit hours of enrollment until the annual stipend is fully exhausted (\$41.67 per credit for 100% eligibility).

Credit Hours	ROP	BAH%
6	50%	0
7	58%	60%
8	67%	70%
9	75%	80%
10	83%	80%
11	92%	90%
12	100%	100%

BAH = Basic Allowance for Housing, which is the housing payment tied to the Post 9/11 GI Bill

Credit hours: the number of credit hours of enrollment for a semester.
 ROP = Rate of Pursuit, which represents the percentage of full time enrollment for any number of credit hours.

Full time enrollment = 12 credit hours for fall and spring semesters; 4 CH for 5 week summer sessions.

BAH% = the amount of BAH a student may receive, based on ROP rounded to the nearest 10%.

Note: to qualify for BAH, you must enroll in at least 51% ROP.

Students who enroll in fully online programs or select all web-based classes will receive a reduced BAH rate (established by the VA).

As noted above, the VA will only pay IN STATE TUITION AND FEES to Appalachian. If you are classified as an out of state student during the admissions process, you may qualify for a residency exception.

To qualify for the residency exception you must:

- Be eligible for and utilizing either Post 9/11 GI Bill (Ch. 33), Active Duty Montgomery GI Bill (Ch. 30), or VA Vocational Rehabilitation (Ch. 31). You must provide documentation of your eligibility (or completed application).
- Residing in North Carolina while enrolled. You must provide proof of your address.
- Enroll at Appalachian no more than 3 years after leaving active duty. Submission of your DD214 is required.

To apply for a residency exception, you must complete an application and submit it as well as the required documentation to the Office of the Registrar.
